

This forthcoming project will start in September 2021. In collaboration with Luca Soudant, Constanza Castagnet, Margaux Koch and Alex Harris, *ssssound* will function as a platform within the Gerrit Rietveld Academie and Sandberg Instituut, presenting a curated programme around the topic of contemporary audio culture. The official programme, events and speakers will be revealed by the beginning of September 2021.

Supported by the Editorial Board of the Gerrit Rietveld Academie.
